Matters arising

Building progress.

Ed McGuigan updated work on the building project.  
The Diocese will lend no money, and will not permit

borrowing from other sources. Work is being done to revise the phase 2 works prior to end January 2015, to make it affordable within our resources. The architects will complete this new work, tenders will be sought, and work will commence no later than the second week in June 2014.

The Hall is running as a limited company and will fund further work, in addition to the weekly contributions.

Miriam thanked Ed and the Building Committee for their hard work over the past three years, and continuing.

Fr Pat observed that income was falling in the parish, and the Diocese is increasing the levy. He echoed the appeal of Bishop Joe for all members to contribute appropriately to the parish and to the building fund.

Sadness was noted about the upset to people's plans for weddings and other celebrations.

The website was noted as a possible avenue to attract sponsorship, but requires work to upgrade it. It was agreed that work would be completed before the end of January 2015.

Action: Deacon Bill, Jim Gallagher, Miriam McKernan

## **RCIA**

The programme has a total of six candidates, going forward to Baptism (4) and full communion (2) at Easter 2015

## **Cleaners**

Fr Pat suggested recently bereaved people could be invited to join the monthly clean of the church. This has been a source of support and companionship in other parishes. He wondered if a bereavement counsellor could be invited on a specified date. (ps Fr Pat, our family found very good bereavement support through the NHS, just for your information. I did not wish to share this at the meeting)

## **Ministry meeting**

Jim and Miriam reported. Three readers meetings took place in October, November and December. Resources were made available, and were produced. An increase in the number of readers should permit two readers for each Sunday Mass. The December meeting was open to all, and Chris Hughes gave an educational and fascinating talk on the history of the Bible, its prose and poetry, its importance for our Christian life, and the great service of proclaiming the Word of God.

At the last meeting it was agreed that we should develop themes for meetings during Lent. Fr Pat stated that Brian McGuigan was volunteering to contribute. Donald Anderson, Chris Hughes and Michael McGrath also are likely to be rich sources for formation.

**Action Fr Pat to nominate persons to develop the Lent programme.**

## **Eucharistic Ministry**

Bob reported. He presented a plan for development of the ministry during 2015, including three meetings of all ministers, one meeting with Fr Donal Walsh, chaplain to the Victoria Infirmary, regular meetings with Fr Pat, three monthly updates of the sick list, a personal appeal at all Masses for more Eucharistic ministers.

Fr Ghislain asked if Eucharistic ministers and other ministers might contribute to pass keeping and taking up the collection as required.

Action all ministers to consider supporting passkeepers, in addition to their usual role.

Fr Ghislain reminded Eucharistic ministers to be suitably careful in distributing communion.

## **SVDP**

Jim reported. SVDP is well supported by the parish by food donations, cash donations, and the appeal for the Christmas lunch. The Christmas tree gift appeal is going very well. Three Caritas pupils from Trinity are in the conference. They will be supporting the SVDP in providing a breakfast club in the hall from 9-10am 21-23/12/14 and 28-30/12/14. There are also three SVDP caravans owned by Motherwell Diocese based at Seton Sands available for family holidays as advised by the SVDP conferences.

## **Stall**

Bernie reported that stock is selling well. There is a limitation of space.

Aileen Dunne asked for a Christmas effort to sell Colum's 2014 CD to support the building fund.

### **Music ministry**

Aileen reported for Colum that the group continued to make music for 1030 Mass.

Miriam wondered if we could have some teaching around music ministry, similar to what we have had for readers and Eucharistic ministers.

Fr Pat encouraged the singing of the Psalm

### **Communications**

Miriam reported that work was in progress with David Brown of Wm Brown printers to make a poster for inside, and banners for outside the church. It was hoped to make banners for special seasons eg Christmas.

### **Legion of Mary**

Fr G reported on behalf of Marie as she was attending the PVG meeting as well. The Legion continues to work in ministry of the Word and of the Eucharist, and in sick visiting at home and in hospital. Work continues following the PPC in July.

Ps to miriam, thank Frances for this critical work in ensuring the safety of all our parish members.

### **Passkeepers**

No formal report was made. Some discussion took place here and at other times of the meeting around supporting the passkeepers.

## **Action: A personal appeal at all Masses (?Miriam)**

### **Craft Group, Tuesday Club, Abba night**

Pat McCarron reported in absentia about the continuing good work of the Craft group, the great success of the Tuesday Club for people with dementia and carers, and the Abba tribute night to raise funds for the water project in Cameroon.

Miriam thanked Pat for the good work on behalf of the parish and the community.

### **Small Faith sharing groups**

Two groups continue, led by Evelyn Kearney and Michael Dunne. Michael's group has started for advent, Evelyn's will commence in January.

### **UCM**

Isabel reported that the UCM from January will add a meeting on the second Wednesday of each month to their regular monthly attendance at the Vocations Mass in St Joseph's Robroyston.

### **Volunteers**

Martin Beveridge sent apologies. Work is continuing on the volunteer marketing exercise.

### **AOCB**
