Building update

Donald Campbell reported on the meeting of 17/2/15. It is planned to start work in the second week of June 2015. The work will last 26 weeks. Work has been done by the architect to revise planned works as affordable with current funds. The money saved by the parish and that donated by Viridor in grant form will cover heating, flooring, disabled toilets, and alteration to altar steps.

It was suggested that updates on the building project are placed on the website.

Action Miriam to form report, forward to Ed and Fr Pat, Fr Pat will moderate and place on website.

The work of pew refurbishment may attract a grant. For that, two further quotes are necessary and have been sought. A meeting among Fr Pat, Deacon Bill and the Chancellor of the Diocese of Motherwell is due in March 2015.

Fr Pat reported that a donation has been made to permit the purchase of new hymnals. Two hymnals, Laudate, and Hymns Old and New will be reviewed by the musicians prior to purchase.

Website

Fr G and Deacon Bill have led the website development. Steven McGinlay, Joe Gunn, Charles Coyle, Michael Campbell and others met to discuss and populate the website. Screen shots were projected.

All parishioners are invited to submit items for the website to stcolumbkille@btconnect.co.uk. The clergy will moderate items and upload to site.

Ministries

Bob McN reported on Eucharistic ministry.

The next meeting is 28/3/15 after 10am Mass. New ministers will be commissioned we hope.

Bob meets regularly with Fr Pat and they identify those in need of home visits.

Fr O'Connor from Our Lady of Lourdes East Kilbride will give a talk on ministry to the sick in June 2015.

Concern was expressed about safety on the altar steps. It was suggested that those who were unconfident or unstable should access and leave the altar through the sacristy.

Donald Campbell requested the formal discharge of Eucharistic ministers after communion to visit sick brothers and sisters.

Action: Clergy to pray a sending prayer

Discussion took place about difficulties in readers and Eucharistic ministers responding to a need. It was agreed Bob will share at Mass 7/8th March, and Miriam/Madeleine/Helen the following week, and invite all ministers to join in, and all parishioners to help out with passkeeping/collections.

The clergy will appeal for ministers in time of need as the people are not always aware of a lack: it is more difficult to see from the body of the kirk than from the altar.
