Reflection

‘A ‘sanctuary’ open to all, the Parish, called to reach out to everyone, without exception, should remember that the poor and excluded must always have a privileged place in the heart of the Church. As Pope Benedict XVI affirmed: “The Gospel is addressed in a special way to the poor”. In addition, as Pope Francis observed “the new evangelisation is an invitation to acknowledge the saving power at work in their lives and to put them at the centre of the Church’s pilgrim way. We are called to find Christ in them, to lend our voice to their causes, but also to be their friends, to listen to them, to speak for them and to embrace the mysterious wisdom which God wishes to share with us through them”.

COVID 19 Update

Following on from the First Minister’s announcement, please note that the legal requirement to wear face coverings in churches in Scotland will be removed from Monday 4th April. Individuals may continue to wear face coverings if they wish to do so, and this should be respected.

In the meantime, please continue to observe the following basic principles:

- Please respect the space of fellow parishioners where possible
- Hands should be sanitised on entering and exiting the Church
- Continue to ensure good ventilation

Please note that the legal requirement to wear face coverings will be removed for the church building as a whole. Therefore, the change will apply to all activities which take place within the church building and not just to acts of worship.
